BY THE NUMBERS

1 - For the first time in three years the Racers will experience a battle at quarterback. Of the six QB's on the roster (Cam Birse, Shuler Bentley, Brendan Bognar, Corey Newble, Eli Oltean, Preston Rice), their combined number of games played in a MSU uniform is **ONE**.

2 - Murray State defeated **TWO** top-25 ranked teams last season. The Racers beat #15 Eastern Illinois and #25 Tennessee State in back-to-back weeks.

3 - Zachary Wade finished third in the nation in forced fumbles by knocking **THREE** loose during the 2016 season.

4 - KD Humphries finished his illustrious career at MSU as the career leader in all **FOUR** passing categories. Humphries finished his career with 10,458 yards, 1,458 completions, 940 completions and 73 touchdowns.

5 - Jordan Gandy had a breakout season in 2016. He finished the season with 11 touchdowns on 976 yards. He also notched **FIVE** 100-plus yard games on the year, the second most in school history.

6 - Former kicker Connor Mitchell played a key role in the Racers' upset of Eastern Illinois in 2016 by kicking **SIX** field goals. Mitchell also ended the year ranked first nationally in field goals per game at 1.82

7.2 - After two full seasons in Chris Boone's system, the MSU defense has shed both total yards and points from its per game average in each year of Boone's tenure. Since 2014, the Racers are allowing **7.2** points per game less, with just 35.2 points per game allowed in 2016.

18 - D'Montre Wade broke up 15 passes and intercepted three more in 2016 for a total of **18** passes defended. His 1.6 passes defended per game was the third highest average in the FCS.

21 - Murray State lost just seven starters from last year's team and will return **21** starters this season. The Racers will welcome back eight players on offense, nine on defense and four on special teams for 2017.

41.8 - Through the first two years of his career, punter Landon Stratton is currently on pace to break the MSU career punting average record. He currently is averaging **41.8** yards per game, just a hair above the current record of 41.3 set by Steve Martin from 1973-74.

70 - The 2017 season will be Murray State's **70th** in the Ohio Valley Conference. MSU is 222-237-9 all-time in league play and has won eight conference championships.

87 - KD Humphries and Jesse Blackburn completed the longest pass in school history in the upset of Eastern Illinois. The duo set the new record by connecting on a **87-yard** pass for a touchdown.

105 - This year marks the 85th anniversary of one of the largest victories in Murray State history. In 1932, MSU beat Louisville at home **105-0**. This season the two teams will renew their rivalry when they meet for the 20th time.

120 - For second consecutive season Murray State increased its per game attendance, rising by **120** to 6,168 fans per game. That total is the second-largest since 2001.
